

Minors on Campus and/or Events Involving Minors

Guidelines for the Health Sciences Center Campus

The University of Oklahoma has numerous campus locations and a variety of events that attract minors, which may be sponsored by the University or by third parties. These guidelines are meant to serve as guidance for these valuable experiences. Please note, these guidelines may not encompass each and every encounter with a minor and should be flexible depending on the circumstances and with the approval of either a supervisor in charge of the area or facility or the Office of Enterprise Risk Management, in consultation with the Office of Legal Counsel. The safety of minors on campus is of utmost importance to the University and these guidelines have been approved in order to provide a safe, fun and productive educational environment.¹

V. Minors Enrolled at the University of Oklahoma

These guidelines do not apply to minors who are enrolled in University courses. Concurrently enrolled high school students and enrolled University students under the age of 18 are subject to all applicable University policies, including the Student Code of Rights and Responsibilities. University faculty and staff are encouraged to be aware of any student's status as a minor.

² The Office of Enterprise Risk Management is the first point of contact for questions regarding these Guidelines. The Office of Enterprise Risk Management will consult with the Office of Legal Counsel as appropriate prior to providing guidance on issues with a legal component.

VI. University Sponsored Events/Camps/Activities³

For University sponsored events, camps, or activities (collectively hereinafter referred to as “Events”), including any Events operated by a University employee/volunteer acting within the scope of his/her employment, the following general guidelines apply:

A. Supervision:

1. Head Supervisor: Each Event shall designate at least one person as a Head Supervisor and provide his or her contact information to the University. The Head Supervisor must ensure all minors are properly supervised and shall be the point of contact between the Event and the University.
2. Every minor must be supervised **AT ALL TIMES** while that minor is participating in the Event.
3. The University generally requires a minimum of at least **one adult supervisor for every 12 minors**. However, depending on the age of the minors and the Event, higher or lower supervision ratios may be advisable or applicable as determined by the supervisor over the area or upon consultation with the Office of Enterprise Risk Management.
 - a. Supervision is defined as having the minor within line of sight.
 - b. Supervisors must be at least 18 years old. Minors may not supervise other minors.
 - c. Generally, minors should not be secluded with the supervisor. Where providing individualized instruction or laboratory experience to a minor, the minor must either be accompanied by an adult or, if the instructor, acting as a supervisor, is alone with the minor, ensure they are in a location where others can see the instructor and the minor (e.g. windows, an open door) or in an area frequented by other people with no expectation of privacy (a laboratory used by other faculty or students).
 - d. Minors should use the buddy system for restroom breaks and should check in and out with the supervisor for restroom breaks.
4. Overnight Events: Where minors are staying overnight, the Head Supervisor must provide a schedule of who is on call and provide contact numbers to the appropriate University representative. Sufficient number of supervisors must be available on the floor to be aware of activity in the rooms, in the corridors, and/or near the exits throughout the night.

B. Background Checks:

³ These recommendations are based on excerpts from the Accreditation Standards for Camp Programs and Services. American Camp Association www.acacamps.org.

1. Criminal and sex offender background checks: Each employee or volunteer who acts as a supervisor and any employee or volunteer who has substantial contact with minors must have successfully passed a criminal and sexual offender background check within the year preceding the Event. Until a successful background check is received, the employee or volunteer may not supervise or have substantial contact with minors. Background checks may be conducted through the University's Human Resources department by contacting 405-271-2180.
2. A parent may not supervise minors other than his or her minor child unless he or she has complied with Section VI(B)(1) above.
3. This requirement includes University students who supervise minors or who have substantial contact with minors during the Event.
4. Student Misconduct checks: Each University student working at the Event must have successfully completed a check through the University's Student Conduct Office within the past 6 months and be in good standing with his/her College. Please contact the University's Director of Student Conduct at 405-325-1540. Successful completion of a Student Conduct Office check means that generally, a student must have no student code violations or been charged with any such violations within the past six months. Please note it takes approximately five (5) business days for the Student Conduct Office to conduct these checks. Please contact the appropriate Student Dean to determine whether the student is in good standing with his/her College.

C. Transportation

1. Drop Off & Pick Up: Drop-off and pick-up schedules and locations should be supervised. Minors may not be released to anyone other than the person listed on the registration form even if he/she claims to be a relative. Proper identification of approved persons must be provided to the Event staff. Parents must give permission in writing for their minor to transport himself/herself or ride with another person to and from the Event. If the minor is not picked up at the appropriate time, please contact OUHSC PD at 405-271-4911.
2. Transporting Minors: Only Event supervisors over the age of 21 who have completed a department of motor vehicles background check may transport minors. Motor vehicle background checks may be conducted through the University's Human Resources department at 405-271-2180. Supervisors who transport minors should avoid any situation where they would be alone in a vehicle with a minor.
3. Please refer to the applicable University policy regarding transportation and motor vehicle use.

D. Security and Safety Measures

1. Supervisors should ensure minors are identified as part of the group in a manner appropriate to the age of the participant and nature of the Event. (e.g. labels with Event name and contact information on their person).

2. Make sure all staff and Event supervisors have been briefed by the Head Supervisor regarding all security measures in place to protect minors (including inclement weather procedures, fire and safety evacuation procedures). At the start of each Event, inform minors where to go or what to do if they need help. For multi-day Events, information should be provided or available each day.
3. Injuries: Report all injuries, other than minor scrapes, bumps and bruises, to the Head Supervisor immediately when they occur.
4. Hazards: All areas within supervision should be inspected to ensure there are no hazards, e.g. open windows, doors propped open, broken glass, no candles or cooking in the rooms, no alcohol, drugs or tobacco etc. Any hazards should be reported directly to the Head Supervisor or facility manager.

E. Forms and Contact Information

1. Each Head Supervisor must provide contact information for the Event and all scanned copies of the executed forms, as provided below, to the Office of Enterprise Risk Management. The Office of Enterprise Risk Management will maintain a digital repository of all executed forms. The University department sponsoring the event should maintain their copies of the forms for as long as they are needed.
2. The Head Supervisor should ensure the following forms have been completed and provide scanned copies of the executed forms to the Office of Enterprise Risk Management:
 - a. Ensure each Event supervisor executes the attached Event Guidelines and Acknowledgment Form(s) in substantially the same format as **Attachment C**. Please note this may need some modification to reflect the details of a particular Event.

- E. Registered Student Organizations (RSOs) must fill out **Attachment B**, revised to appropriately identify the organization, or a substantially similar document.
- F. Where the Event includes merely the use of University facilities, there may be a need to only have the forms executed on an annual basis and as part of a facilities use agreement, (e.g. monthly science club meetings not sponsored by the University).

VIII. Minors on Campus in K-12 Programs, Field Trips, or Similar Types of School/Extracurricular Group Tours/Events

Where minors are on campus due to a field trip sponsored by a K-12 school or similarly sponsored event ("Field Trip"), the University contact must ensure a contact person for the K-12 school is identified, must obtain basic information for the event, and must advise the Office of Enterprise Risk Management of all this information.

- A. The Field Trip location should be inspected either by other appropriate University officials for safety purposes, e.g. facilities management or lab supervisor where students touring lab facility.
- B. Employees in the area should be made aware of the minors' presence in the area and advised to report any issues or suspicious activity to the University contact, the Office of Enterprise Risk Management, and/or DHS, OUHSC PD, and the Sexual Misconduct Officer as appropriate.

- I. Release: **EACH** minor’s parent must sign a release. If you know of a minor that has not, please contact your supervisor with the name of the minor so a release can be obtained. If you are given a signed release, please provide that to your supervisor.

- II. Supervision and Behavior Expectations:
 - A. Every minor must be supervised by employees/volunteers during the Event. Supervision is defined as having the minors within your line of sight.
 - B. Generally, there should be a supervision ratio of at least one adult supervisor for every 12 minors. Please ask your Head Supervisor for proper ratios depending on the age of the minors and the nature of the activities.
 - C. Minors should use the buddy system for restroom breaks and should check in and out with the supervisor for restroom breaks.
 - D. At no time may you leave a minor unattended or in the care of a person that is not a supervisor.
 - E. Overnight supervisors must provide the Head Supervisor with all contact numbers. One supervisor must be “on call” and present at all times to ensure minors are secure in their rooms. Overnight supervisors may not leave the premises once minors are secure in their rooms. Head Supervisors must provide contact information to _____.
 - F. Guidelines for touching minors include the following:
 1. You may not touch a minor in any place normally covered by a bathing suit unless for clear medical reasons and then only with another adult’s supervision.
 2. You may not touch a minor against his/her will or in a way that would over-stimulate him/her.
 3. You shall not use hitting or other physical punishment as discipline.
 4. Exercise good common sense and judgment.
 - G. You may not use abusive and derogatory language, including words commonly recognized as “cuss words.”

- H. You may not engage in any behavior or conduct that is contrary to the University's mission or University policies. Please familiarize yourself with the following policies: www.judicial.ou.edu and www.ou.edu/home/misc.html.

III. Sexual misconduct, child abuse and neglect- REPORTING OBLIGATIONS:

- A. Who is a minor? Anyone under the age of 18!
- B. General Rule: If anyone has reason to believe that a minor is the victim of abuse or neglect, it is his/her duty to report it immediately. (See 10A O.S. §1-2-101(B)(1)). This reporting obligation is on the individual who suspects abuse. (See 10A O.S. §1-2-101 (B)(4)).**

- D. Additionally, notify OUHSC PD at 405-271-4911, the University Sexual Misconduct Officer 405-325-2215 or the OUHSC's Associate Title IX Officer at 405-271-2110, and your supervisor of any suspicions.
- E. Reasonable suspicion: One does not have to know with certainty that abuse is taking place. Reasonable cause to believe or suspect that child abuse has occurred is sufficient. When in doubt, report it.

IV. Background Checks:

- A. **Criminal and sex offender background checks:** You agree that you are responsible for supervising minors or will have substantial contact with minors during the Event. You must have successfully passed a criminal and sexual offender background check within the year preceding the camp. Please note this takes a minimum of five (5) business days to complete.

V. Transportation:

- A. You must ensure that you follow appropriate drop-off and pick-up schedules and locations. Minors may not be released to anyone other than the person listed on the approved list with valid authorization even if they claim to be a relative, and must show valid identification. Parents must give permission in writing for their minor to drive themselves or ride with another person to and from the event. If the minor is not picked up at the appropriate time, please contact OUHSC PD at 405-271-4911.
- B. You may not transport minors unless you are over the age of 21, you are specifically authorized by your supervisor and you have completed a Department of Motor Vehicle background check. You should avoid any situation where you would be alone in a vehicle with a minor. Motor vehicle background checks may be conducted through the University's Human Resources department at 405-271-2180.

VI. Security:

- A. Make sure you have been briefed by your supervisor of all security measures in place to protect minors (including inclement weather procedures, fire and safety evacuation procedures). At the start of each day, you must inform minors where to go or what to do if they need help.
